Dear Colleagues,

Please find attached the materials for today's meeting, with the exception of the finalized charge

for the Delta Outflows and Related Stressors workshop. We will provide the final charge to the planning group prior to its posting early next week.

The Interior Delta Flows Critical Questions document (as previously distributed) is included for your reference in the discussion of panelists for the workshop on Delta Interior Flows and Related Stressors.

I will have hard copies of these materials at the meeting.

Best,

Matt
